

Random Acts Of Kindness Day

Nominate and Participate!

Nominations for 2009

With so much violence in the news, the idea to recognize kindness came about 14 years ago with the establishment of the Flint Hills *Random Acts of Kindness Day*. The Fort Riley, Junction City, Manhattan, and Ogden areas will recognize two individuals from each community for their *Random Acts of Kindness* that they performed during 2009. We are the only region in the State of Kansas that is making this special recognition.

Any *Random Act of Kindness* that is bestowed upon a neighbor, stranger, or co-worker through another person's selflessness and empathy in helping others deserves recognition. *Random Acts of Kindness Day* will promote that kind of brotherly love that is needed today, tomorrow, and all year.

If you want to nominate someone for a *Random Act of Kindness* award, please state what the act was, why this act is deserving of an award, and when and where this act occurred. We also need the name, address, and phone number of the nominee.
